- 15 (9) Notwithstanding KRS 164.753(3), the authority shall establish by administrative
16 regulation procedures for the administration of this program, including but not
17 limited to the execution of appropriate contracts and promissory notes,
18 cancellation of obligations, the rate of repayment, and deferment of repayment of
19 outstanding debt.
- 20 (10) Notwithstanding any other statute to the contrary, the maximum interest rate
21 applicable to repayment of a promissory note under this section shall be twelve
22 percent (12%) per annum, except that if a judgment is rendered to recover

9 a. One percent (1%) of the total annual coal severance tax revenues
10 collected under KRS 143.020; or

11 b. The amount necessary to provide full funding for all students
12 who qualify for a scholarship under this section, considering all

20 or before December 1 of each year.

21 3. a. The amount transferred shall be based upon the prevailing
22 revenue estimate for coal severance tax receipts at the time each
23 transfer is made.

24 b. If the amount of actual coal severance tax receipts is less than
25 the prevailing revenue estimate for the year, the next August 1
26 payment shall be reduced by the difference between the two (2)
27 amounts.

- 1 c. No additional funds shall be transferred if the actual coal

9 of the end of the fiscal year.
- 10 (g) All amounts included in the fund shall be continuously appropriated only
11 for the purposes specified in this section.
- 12 (h) A general statement that all continuing appropriations are repealed,
13 discontinued, or suspended shall not operate to repeal, discontinue, or
14 suspend this fund or to repeal this action.
- 15 (i) All moneys repaid to the authority under this section shall be added to the
16 fund.
