research institutions matching fund created in KRS 164.043.

(d) The surtaxes imposed by paragraphs (b) and (c) of this subsection shall be
paid at the time that the tax imposed by paragraph (a) of this subsection is

(2) (a) An excise tax is hereby imposed upon every distributor for the privilege of
selling tobacco products in this state at the following rates:

1. **Prior to August 1, 2022**, upon snuff at the rate of nineteen cents
($0.19) per each one and one-half (1-1/2) ounces or portion thereof
by net weight sold; **and**

i. The open vaping system when the actual price includes the items described in both KRS 138.130(10)(a)1. and 2., or

ii. The liquid solution described in KRS 138.130(10)(a)2. when the solution is sold separately.

(b) The net weight posted by the manufacturer on the container, pouch, or package or on the manufacturer's invoice shall be used to calculate the tax due on snuff or chewing tobacco.

(c) 1. A retailer located in this state shall not purchase tobacco products for resale to consumers from any person within or outside this state unless
that person is a distributor licensed under KRS 138.195(7)(a) or the retailer applies for and is granted a retail distributor's license under KRS 138.195(7)(b) for the privilege of purchasing untax-paid tobacco products and remitting the tax as provided in this paragraph.

2. A licensed retail distributor of tobacco products shall be subject to the excise tax as follows:
   a. On purchases of untax-paid snuff, at the same rate levied by paragraph (a)1. of this subsection;
   b. On purchases of untax-paid chewing tobacco, at the same rates levied by paragraph (a)2. of this subsection;
   c. On purchases of untax-paid tobacco products, except snuff and chewing tobacco, at the same rate levied by paragraph (a)3. of this subsection; and
   d. On purchases of untax-paid closed vapor cartridges, at the same rate levied by paragraph (a)4. of this subsection; and
e. On purchases of untax-paid open vaping systems, at the same rate as levied by paragraph (a)5. of this subsection.

(d) 1. The licensed distributor that first possesses tobacco products or vapor products for sale to a retailer in this state or for sale to a person who is not licensed under KRS 138.195(7) shall be the distributor liable for the tax imposed by this subsection except as provided in subparagraph 2. of this paragraph.

2. A distributor licensed under KRS 138.195(7)(a) may sell tobacco
products or vapor products to another distributor licensed under KRS 138.195(7)(a) without payment of the excise tax. In such case, the purchasing licensed distributor shall be the distributor liable for the tax.

3. A licensed distributor or licensed retail distributor shall:
   a. Identify and display the distributor's or retail distributor's license number on the invoice to the retailer; and
   b. Identify and display the excise tax separately on the invoice to the retailer. If the excise tax is included as part of the product's sales price, the licensed distributor or licensed retail distributor shall list the total excise tax in summary form by tax type with invoice totals.

4. It shall be presumed that the excise tax has not been paid if the licensed distributor or licensed retail distributor does not comply with subparagraph 3. of this paragraph.

(e) No tax shall be imposed on tobacco products or vapor products under this subsection that are not within the taxing power of this state under the Commerce Clause of the United States Constitution.

(3) (a) The taxes imposed by subsections (1) and (2) of this section:
   1. Shall not apply to reference products; and
   2. Shall be paid only once, regardless of the number of times the cigarettes or tobacco products may be sold.

(b) The taxes imposed by subsection (1)(a) and (b) and subsection (2) of this section shall be reduced by:

   1. Fifty percent (50%) on any product as to which a modified risk tobacco product order is issued under 21 U.S.C. sec. 387k(g)(1); or
   2. Twenty-five percent (25%) for any product as to which a modified risk tobacco product order is issued under 21 U.S.C. sec. 387k(g)(2).
(4) A reference product shall carry a marking labeling the contents as a research cigarette, research vapor product, or a research tobacco product to be used only for tobacco-health research and experimental purposes and shall not be offered for sale, sold, or distributed to consumers.

(5) The department may prescribe forms and promulgate administrative regulations to execute and administer the provisions of this section.

(6) The General Assembly recognizes that increasing taxes on tobacco products should reduce consumption, and therefore result in healthier lifestyles for Kentuckians. The relative taxes on tobacco products proposed in this section reflect the growing data from scientific studies suggesting that although smokeless tobacco poses some risks, those health risks are significantly less than the risks posed by other forms of tobacco products. Moreover, the General Assembly acknowledges that some in the public health community recognize that tobacco harm reduction should be a complementary public health strategy regarding tobacco products. Taxing tobacco products according to relative risk is a rational tax policy and may well serve the public health goal of reducing smoking-related mortality and morbidity and lowering health care costs associated with tobacco-related disease.

(7) Any person subject to the taxes imposed under subsections (1) and (2) of this section that:

   (a) Files an application related to a modified risk tobacco product shall report to the department that an application has been filed within thirty (30) days of that filing; and

   (b) Receives an order authorizing the marketing of a modified risk tobacco product shall report to the department that an authorizing order has been received.

(8) Upon receipt of the information required by subsection (7)(b) of this section, the department shall reduce the tax imposed on the modified risk tobacco product as
required by subsection (3)(b) of this section on the first day of the calendar month following the expiration of forty-five (45) days following receipt of the information required by subsection (7)(b) of this section.

Section 2. KRS 138.143 is amended to read as follows:

2. Estimating the cigarettes in vending machines by reporting one-half (1/2) of the normal fill capacity of the machines, as reflected in individual inventory records maintained for vending machines; or

3. Using a combination of the methods prescribed in subparagraphs 1. and 2. of this paragraph;

(b) File a return with the department on or before August 10, 2022 [July 10, 2018], showing the entire wholesale and retail inventories of cigarettes in packages bearing Kentucky tax stamps, and all unaffixed Kentucky cigarette tax stamps possessed by them or in their control at 11:59 p.m. on July 31, 2022 [June 30, 2018]; and

3.    b. Twelve dollars and sixty-three cents ($12.63) on each half-pound unit;

   c. Twenty dollars and fifty-two cents ($20.52) on each pound unit of chewing tobacco; and

   if the container, pouch, or package on which the tax is levied contains more than sixteen (16) ounces by net weight, the rate that shall be applied to the unit shall be equal to the sum of twenty dollars and fifty-two cents ($20.52) plus six dollars ($6.00) for each increment of four (4) ounces or portion thereof.
exceeding sixteen (16) ounces sold;

(c) 1. a. Take a physical inventory of all vapor products possessed by
them or in their control at 11:59 p.m. on July 31, 2022;

b. File a return with the department on or before August 10, 2022,
showing the entire inventories of vapor products possessed by
them or in their control at 11:59 p.m. on July 31, 2022; and

c. i. Pay a floor stock tax on closed vapor cartridges at a
proportionate rate equal to six dollars ($6) per cartridge in
their possession or control at 11:59 p.m. on July 31, 2022;

and

ii. Pay a floor stock tax on open vapor systems at a
proportionate rate equal to seventy percent (70%) of the
purchase price for each open vapor system in their
possession or control on July 31, 2022.

2. a. As used in this paragraph, "purchase price" means the actual
amount paid for the open vapor system subject to the tax
imposed by this subsection.

b. If the retailer or sub-jobber cannot determine the actual amount
paid for each open vapor system, the retailer or sub-jobber may
use the amount per unit paid as reflected on the most recent
invoice received prior to August 1, 2022, for the same category of
vapor product.

c. To prevent double taxation, if the invoice used by the retailer or
sub-jobber to determine the purchase price of the vapor product
does not separately state the tax paid by the wholesale, the
retailer or sub-jobber may reduce the amount paid per unit by
fifteen percent (15%); and
(d)(b) 1. a. Take a physical inventory of all other tobacco products possessed by them or in their control at 11:59 p.m. on July 31, 2022 [March 31, 2009];

c. Pay a floor stock tax at a proportionate rate equal to seventy percent (70%) [seven and one-half percent (7.5%)] on the purchase price of other tobacco products in their possession or control at 11:59 p.m. on July 31, 2022 [March 31, 2009].

2. a. As used in this paragraph, "purchase price" means the actual amount paid for the other tobacco products subject to the tax imposed by this paragraph.

b. If the retailer or sub-jobber cannot determine the actual amount paid for each item of other tobacco product, the retailer or sub-jobber may use as the purchase price the amount per unit paid as reflected on the most recent invoice received prior to August 1, 2022 [April 1, 2009], for the same category of other tobacco product.

c. To prevent double taxation, if the invoice used by the retailer or sub-jobber to determine the purchase price of the other tobacco product does not separately state the tax paid by the wholesaler, the retailer or sub-jobber may reduce the amount paid per unit by fifteen percent (15%) [seven and one-half percent (7.5%)].

(3) (a) The taxes imposed by this section may be paid in three (3) installments. The first installment, in an amount equal to at least one-third (1/3) of the total...
amount due, shall be remitted with the return provided by the department on
or before August 10, 2022[July 10, 2018]. The second installment, in an
amount that brings the total amount paid to at least two-thirds (2/3) of the total
amount due, shall be remitted on or before September 10, 2022[August 10,
2018]. The third installment, in an amount equal to the remaining balance,
shall be remitted on or before October 10, 2022[September 10, 2018].

(b) Interest shall not be imposed against any outstanding installment payment not
yet due from any retailer, sub-jobber, resident wholesaler, nonresident
wholesaler, or unclassified acquirer who files the return and makes payments
as required under this section.

(c) Any retailer, sub-jobber, resident wholesaler, nonresident wholesaler, or
unclassified acquirer who fails to file a return or make a payment on or before
the dates provided in this section shall, in addition to the tax, pay interest at
the tax interest rate as defined in KRS 131.010(6) from the date on which the
return was required to be filed.

Section 3. Section 1 of this Act takes effect August 1, 2022.
