7 (5) As used in this section and elsewhere in this chapter, unless the context clearly  
8 requires otherwise:

- 9 (a) "Trust fund balance" means the amount of money in the unemployment  
10 insurance fund, less any unpaid advances made to the state under Section 1201  
11 of the Social Security Act. In determining the amount in the fund as of a given  
12 date all money received by the Office of Unemployment Insurance,  
13 Department of Workforce Investment, on that date shall be considered as  
14 being in the fund on that date;
- 15 (b) "Total wages" means all remuneration for services, as defined in KRS  
16 341.030(1) to (7), paid by subject employers;
- 17 (c) An employer's "reserve ratio" means the percentage ratio of his or her reserve  
18 account balance as of the computation date to his or her taxable payrolls for  
19 the four (4)~~twelve (12)~~ consecutive calendar quarters ended as of June 30  
20 immediately preceding the computation date;
- 21 (d) For the purposes of this section, an employer's "reserve account balance"  
22 means the amount of contributions credited to his or her reserve account as of  
23 the computation date, less the benefit charges through June 30 immediately  
24 preceding the computation date. If benefits charged to an account exceed  
25 contributions credited to the account, the account shall be considered as  
26 having a debit balance and a reserve ratio of "less than zero"; and
- 27 (e) "Computation date" is July 31 of each calendar year prior to the effective date

1 of new rates of contributions.

2 (6) Notwithstanding any other provisions of this chapter, for the calendar year 2021, the  
3 employer contribution rates shall be determined using the rates listed in Schedule A  
4 of Table A.

5 ➔Section 4. KRS 341.272 is amended to read as follows:

6 (1) Notwithstanding any section of this chapter to the contrary, on or after July 15,

9 domestic corporation in a joint venture, partnership or other legal entity engaged in  
10 the contract construction trades shall pay contributions equal to the maximum rate  
11 of contributions payable under the rate schedule in effect for any given calendar  
12 year as determined by KRS 341.270; and, such maximum rate of contributions shall  
13 remain in effect until the employer has employed persons in this state for not less  
14 than four (4)~~twelve (12)~~ consecutive calendar quarters ending as of June 30  
15 immediately preceding the computation date. Thereafter, such employer's  
16 contribution rate shall be determined in accordance with the provisions of  
17 subsection (4) of KRS 341.270.

18 (2) On or after January 1, 1989, any new domestic or foreign proprietorship or  
19 partnership engaged in the contract construction trades shall be subject to the  
20 provisions of subsection (1) of this section.

22 An unemployed worker shall, except as provided in KRS 341.360 and 341.370, be  
23 eligible for benefits with respect to any week of unemployment only if:

24 (1) He or she has made a claim for benefits;

25 (2) For an initial claim made on or after January 1, 2012, he or she has served a waiting  
26 period of one (1) week, during which he or she has not received benefits. The  
27 waiting week period shall be the first compensable week of an initial claim for

1 benefits for which he or she is eligible and qualified to receive benefits under this  
2 chapter. A waiting week period shall be required for each benefit year, whether or  
3 not consecutive. No more than one (1) waiting week period shall be required in any  
4 benefit year. The waiting week shall become compensable once the remaining  
5 balance on the claim is equal to or less than the compensable amount for the waiting

8 with administrative regulations promulgated by the secretary; ~~and~~

10 services, if pursuant to a profiling system established by the secretary, he or  
11 she has been determined to be likely to exhaust regular benefits unless:

12 1. The claimant has completed the services to which he or she is referred;  
13 or

14 2. There is justifiable cause for the claimant's failure to participate in the  
15 services. For the purpose of this section, "justifiable cause" shall be  
16 interpreted to mean what a reasonable person would do in like  
17 circumstances; and

18 (c) He or she engages in at least five (5) verifiable work search activities during  
19 each week in which he or she claims eligibility. At least three (3) of these  
20 activities each week shall consist of formally submitting an application for

 13 period equal to at least eight (8) times his or her weekly benefit rate with a  
 14 minimum of one thousand five hundred dollars (\$1,500) earned outside the high  
 15 quarter. Beginning on January 1, 2020, and continuing on January 1 in even-  
 16 numbered years thereafter, the secretary shall adjust the minimum base-period  
 17 wages at a rate that is directly proportional to the average percentage change in the  
 18 Consumer Price Index for All Urban Consumers (CPI-U) for the two (2) previous  
 19 calendar years;
- 20 (7) An otherwise eligible worker shall not be denied benefits under subsection (5) of

2 such worker be denied benefits by reason of leaving work to enter such training  
3 provided such work is not suitable employment, or because of the application to any  
4 such week in training of provisions in this law (or any applicable federal  
5 unemployment compensation law) relating to availability for work, active search for  
6 work, or refusal to accept work. For purpose of this subsection, the term "suitable  
7 employment" shall mean employment of a substantially equal or higher skill level  
8 than the worker's past adversely affected employment as defined in 19 U.S.C. sec.  
9 2319 (Trade Act of 1974), and wages for such work are not less than eighty percent  
10 (80%) of the workers' average weekly wage as determined for purposes of the Trade  
11 Act of 1974.

12 (9) The foregoing eligibility requirements and the conditions of benefit

15 341.370 shall affect the establishment of a "benefit year."

16 **(10) The cabinet shall conduct randomized weekly audits of a number determined by**  
17 **the secretary as sufficient to evaluate compliance with the work search activity**  
18 **requirements of this section, and shall submit to the General Assembly an annual**

27 **audited during the reporting period;**

1 Fifty-five percent (55%) of the amount thus obtained, adjusted to the nearest  
2 multiple of one dollar (\$1), shall constitute the maximum weekly benefit rate for  
3 those workers whose benefit year commences on or after the first day of July of  
4 such year and prior to the first day of July of the next following year; beginning in  
5 calendar year 1999, or any subsequent year in which the increase in the weekly  
6 benefit rate calculation set forth in subsection (2) of this section should take effect,

8 multiple of one dollar (\$1), shall constitute the maximum weekly benefit rate for  
9 those workers whose benefit year commences on or after the first day of July of that  
10 year and prior to the first day of July of the next following year; except that for the  
11 benefit years beginning on or after July 1, 1982, if the "trust fund balance" as of  
12 September 30 immediately preceding the benefit year is less than one hundred  
13 twenty million dollars (\$120,000,000), the maximum weekly benefit rate shall not  
14 exceed the prior year's maximum weekly benefit rate. If such "trust fund balance" as  
15 of September 30 immediately preceding the benefit year:

16 (a) Equals or exceeds one hundred twenty million dollars (\$120,000,000), but is  
17 less than two hundred million dollars (\$200,000,000), the maximum weekly  
18 benefit rate shall not exceed the prior year's maximum weekly benefit rate by  
19 more than six percent (6%). The rate thus determined shall be adjusted to the  
20 nearest multiple of one dollar (\$1);

21 (b) Equals or exceeds two hundred million dollars (\$200,000,000), but is less than  
22 three hundred million dollars (\$300,000,000), the maximum weekly benefit  
23 rate shall not exceed the prior year's maximum weekly benefit rate by more  
24 than eight percent (8%). The rate thus determined shall be adjusted to the  
25 nearest multiple of one dollar (\$1);

26 (c) Equals or exceeds three hundred million dollars (\$300,000,000), but is less  
27 than four hundred million dollars (\$400,000,000), the maximum weekly

1 benefit rate shall not exceed the prior year's maximum weekly benefit rate by  
 2 more than ten percent (10%). The rate thus determined shall be adjusted to the  
 3 nearest multiple of one dollar (\$1);

4 (d) Equals or exceeds four hundred million dollars (\$400,000,000), but is less  
 5 than five hundred million dollars (\$500,000,000), the maximum weekly

 7 more than twelve percent (12%). The rate thus determined shall be adjusted to  
 8 the nearest multiple of one dollar (\$1);

9 (e) Equals or exceeds five hundred million dollars (\$500,000,000), the maximum  
 10 weekly benefit rate shall not exceed the prior year's maximum weekly benefit  
 11 rate by more than fifteen percent (15%). The rate thus determined shall be  
 12 adjusted to the nearest multiple of one dollar (\$1); and

13 (f) Is such that it resulted in the establishment of an employer contribution rate  
 14 schedule, as provided for in KRS 341.270, for the current calendar year which  
 15 has a higher minimum rate than the schedule in effect for the immediately  
 16 preceding calendar year, the maximum weekly benefit rate shall not exceed  
 17 the prior year's maximum weekly benefit rate.

18 (4) The maximum amount of benefits payable to any worker within any benefit year  
 19 shall be the amount equal to whichever is the lesser of:

20 (a) *His or her weekly benefit rate times the applicable number of weeks for*  
 21 *which benefits are available to him or her as calculated in Section 7 of this*  
 22 *Act*~~[Twenty-six (26) times his weekly benefit rate]; or~~

23 (b) One-third (1/3) of his *or her* base-period wages, except that no worker's  
 24 maximum amount shall be less than *twelve (12)*~~[fifteen (15)]~~ times his *or her*  
 25 weekly benefit rate. Such maximum amount, if not a multiple of one dollar  
 26 (\$1), shall be adjusted to the nearest multiple of one dollar (\$1).

5 (c) Specific and detailed information regarding the decline of an offer of  
 6 suitable work or the failure to attend a first interview regarding suitable  
 7 work that may potentially disqualify the worker from receiving benefits.

8 (2) The information contained in the notice shall be considered when a  
 9 determination of eligibility for benefits is made and may constitute grounds for  
 10 ineligibility.

11 (3) The secretary shall provide a portal in which the notice in subsection (1) of this  
 12 section can be made online.

13 ➔Section 9. KRS 341.370 is amended to read as follows:

14 (1) A worker shall be disqualified from receiving benefits for the duration of any period  
 15 of unemployment with respect to which:

16 (a) He or she has failed without good cause either to apply for available, suitable  
 17 work when so directed by the Kentucky Career Center~~[employment office]~~ or  
 18 the secretary, to accept an interview from a prospective employer offering  
 19 suitable work, or to accept suitable work when offered him or her, or to  
 20 return to his or her customary self-employment when so directed by the  
 21 secretary; or

22 (b) He or she has been discharged for misconduct or dishonesty connected with  
 23 his or her most recent work, or from any work which occurred after the first  
 24 day of the worker's base period and which last preceded his or her most recent  
 25 work, but legitimate activity in connection with labor organizations or failure  
 26 to join a company union shall not be construed as misconduct; or

27 (c) He or she has left his or her most recent suitable work or any other suitable

1 work which occurred after the first day of the worker's base period and which  
2 last preceded his or her most recent work voluntarily without good cause  
3 attributable to the employment. No otherwise eligible worker shall be

6 with his or her most recent work;
- 7 2. Leaving work which is one hundred (100) road miles or more, as  
8 measured on a one (1) way basis, from his or her home to accept work  
9 which is less than one hundred (100) road miles from his or her home;
- 10 3. Accepting work which is a bona fide job offer with a reasonable  
11 expectation of continued employment; or
- 12 4. Leaving work to accompany the worker's spouse to a different state,  
13 military base of assignment, or duty station that is one hundred (100)  
14 road miles or more, as measured on a one (1) way basis, from the  
15 worker's home when the spouse is reassigned by the military; or

16 (d) He or she fails to act in good faith to secure suitable work.

17 (2) A worker shall be disqualified from receiving benefits for any week with respect to

20 months, for the additional weeks immediately following the date of discovery, not  
21 to exceed a total of fifty-two (52), as may be determined by the secretary.

22 (3) No worker shall be disqualified under paragraph (b) or (c) of subsection (1) of this  
23 section unless the employer, within a reasonable time as prescribed by regulations  
24 promulgated by the secretary, notifies the Education and Workforce Development  
25 Cabinet and the worker in writing of the alleged voluntary quitting or the discharge  
26 for misconduct. Nothing in this subsection shall restrict the right of the secretary to  
27 disqualify a worker whose employer has refused or failed to notify the Education

1 and Workforce Development Cabinet of the alleged voluntary quitting or discharge  
2 for misconduct, if the alleged voluntary quitting or discharge for misconduct is  
3 known to the secretary prior to the time benefits are paid to the worker. The

9 shall be construed as that work which occurred after the first day of the worker's  
10 base period and which last preceded the week of unemployment with respect to  
11 which benefits are claimed; except that, if the work last preceding the week of  
12 unemployment was seasonal, intermittent, or temporary in nature, most recent work  
13 may be construed as that work last preceding the seasonal, intermittent, or  
14 temporary work.

15 (5) No worker shall be disqualified or held ineligible under the provisions of this  
16 section or KRS 341.350, who is separated from employment pursuant to a labor  
17 management contract or agreement, or pursuant to an established employer plan,  
18 program, or policy, which permits the employer to close the plant or facility for  
19 purposes of vacation or maintenance.

20 (6) "Discharge for misconduct" as used in this section shall include but not be limited  
21 to, separation initiated by an employer for falsification of an employment

23 reasonable and uniformly enforced rule of an employer; unsatisfactory attendance if  
24 the worker cannot show good cause for absences or tardiness; damaging the  
25 employer's property through gross negligence; refusing to obey reasonable  
26 instructions; reporting to work under the influence of alcohol or drugs or consuming  
27 alcohol or drugs on employer's premises during working hours; conduct

1           endangering safety of self or co-workers; and incarceration in jail following  
 2           conviction of a misdemeanor or felony by a court of competent jurisdiction, which  
 3           results in missing at least five (5) days work.

4       (7) "Duration of any period of unemployment," as that term is used in this section, shall  
 5           be the period of time beginning with the worker's discharge, voluntary quitting, or  
 6           failure to apply for or accept suitable work and running until the worker has worked  
 7           in each of ten (10) weeks, whether or not consecutive, and has earned ten (10) times  
 8           his or her weekly benefit rate in employment covered under the provisions of this  
 9           chapter or a similar law of another state or of the United States.

9 (1) An employer wishing to participate in a shared work program shall submit a

22 (d) Health benefits, retirement benefits, and other fringe benefits will continue  
23 to be provided to employees in the affected group or groups as though their

26 level of benefits may be reduced by a like amount for the employer's shared  
27 work employees;

- 1        (e) The plan certifies that the aggregate reduction in work hours is in lieu of all  
2        layoffs that would have affected at least ten percent (10%) of the employees  
3        in the affected group or groups to which the plan applies and that would  
4        have resulted in an equivalent reduction in work hours;
- 5        (f) During the previous four (4) months, the workforce in the affected group  
6        has not been reduced by temporary layoffs of more than ten percent (10%)  
7        of the workers;

16       in the affected group;
- 17       2. The plan includes:
- 18       a. A description of how the plan was made available; and

23       the employer has under applicable state and federal law;
- 24       (j) An employee who joins an affected group after the approval of the shared  
25       work plan is automatically covered under the previously approved plan,  
26       effective the week that the secretary receives written notice from the shared  
27       work employer that the employee has joined;

1        (k) The plan shall not serve as a subsidy to seasonal employers during the off  
 2        season nor as a subsidy to employers who traditionally use part-time  
 3        employees; and

4        (l) The employer agrees to:

5            1. Furnish reports, if requested by the secretary, relating to the proper

 16        its receipt.

17        (2) Only one (1) plan may be approved for any one (1) employer during any twelve  
 18        (12) month period.

19        (3) The reason for the rejection of any plan shall be final and non-appealable, but an  
 20        employer whose plan was rejected shall be allowed to submit another plan for  
 21        approval not earlier than fifteen (15) days from the date of the last rejection.

 3 date; or

4 (b) If a plan is revoked by the secretary, shall terminate on the date specified in  
 5 the secretary's written order of revocation.

14 (b) The individual is able to work and is available for the normal work week  
15 with the shared work employer; and

16 (c) The normal weekly hours of work of the individual are reduced by at least  
17 ten percent (10%) but not more than forty percent (40%), with a  
18 corresponding reduction in wages.

19 (2) A worker shall not be denied shared work benefits if he or she is otherwise  
20 eligible for these benefits for any week by reason of the application of any  
21 provision of this chapter relating to availability for work, active search for work  
22 or participation in work search activities, or refusal to apply for or accept work  
23 from other than the worker's shared work employer.

24 (3) A worker shall not be denied shared work benefits if he or she is otherwise  
25 eligible for these benefits for any week because he or she is participating in  
26 training sponsored by, or at the direction of, the shared work employer.

27 (4) Notwithstanding any other provision in this chapter, a worker shall be deemed

1 unemployed in any week for which compensation is payable to him or her, as an  
2 employee in an affected group, for less than his or her normal weekly hours of  
3 work in accordance with an approved plan in effect for the week.

4 ➔SECTION 17. A NEW SECTION OF KRS CHAPTER 341 IS CREATED TO  
5 READ AS FOLLOWS:

6 (1) The shared work weekly benefit amount shall be the product of the regular  
7 weekly unemployment compensation amount, as calculated under KRS 341.380,  
8 multiplied by the percentage of reduction of at least ten percent (10%) in the  
9 individual's usual weekly hours of work.

10 (2) An individual may be eligible for shared work benefits or regular benefits, as  
11 appropriate, except that no individual shall be eligible for regular benefits, shared  
12 work benefits, or a combination of regular benefits and shared work benefits in  
13 any benefit year in an amount more than the maximum benefit amount  
14 established for regular benefits in KRS 341.380, nor shall an individual be paid  
15 shared work benefits for more than twenty-six (26) weeks, whether or not  
16 consecutive, in any benefit year pursuant to a shared work plan.

17 (3) The shared work benefits paid to an individual shall be deducted from the  
18 maximum benefit amount established for his or her benefit year under KRS  
19 341.380.

20 (4) The secretary shall promulgate rules and procedures for the filing of claims for  
21 shared work benefits.

22 ➔SECTION 18. A NEW SECTION OF KRS CHAPTER 341 IS CREATED TO  
23 READ AS FOLLOWS:

24 An individual who has received all of the combined regular benefits and shared work  
25 benefits available in a benefit year shall be considered an exhaustee for purposes of  
26 extended benefits, as provided under KRS 341.700 to 341.740, and, if otherwise eligible  
27 under those provisions, shall be eligible to receive extended benefits.

1       ➔Section 19. KRS 341.530 is amended to read as follows:

2       (1) The Office of Unemployment Insurance, Department of Workforce Investment,  
3       shall maintain a reserve account for each subject employer making contributions to  
4       the fund and a reimbursing employer account for each subject employer making  
5       payment in lieu of contributions, and shall, except as provided in KRS 341.590,  
6       credit to such account the total amount of all contributions or benefit reimbursement  
7       paid by the employer on his or her own behalf. Nothing in this section or elsewhere  
8       in this chapter shall be construed to grant any employer or individual who is or was  
9       in his or her employ prior claims or rights to the amounts paid by him or her into  
10      the fund.

11      (2) Except as provided in subsection (3) of this section, all regular benefits paid to an  
12      eligible worker in accordance with KRS 341.380 plus the extended benefits paid in  
13      accordance with KRS 341.700 to 341.740, subject to the provisions of paragraphs  
14      (a) and (b) of this subsection, shall be charged against the reserve account or  
15      reimbursing employer account of his or her most recent employer. No employer  
16      shall be deemed to be the most recent employer unless the eligible worker to whom  
17      benefits are payable shall have worked for such employer in each of ten (10) weeks  
18      whether or not consecutive back to the beginning of the worker's base period.

19      **Shared work benefits paid to an eligible worker in accordance with Sections 12 to**  
20      **18 of this Act shall be charged against the reserve account or reimbursing**  
21      **employer account of the shared work employer.**

22      (a) Subject employers, which are not governmental entities as defined in KRS  
23      341.069, shall be charged one-half (1/2) of the extended benefits paid in  
24      accordance with KRS 341.700 to 341.740; and

25      (b) Subject employers which are governmental entities, as defined in KRS  
26      341.069, shall be charged for all extended benefits paid in accordance with  
27      KRS 341.700 to 341.740 for compensable weeks occurring on or after January

1           1, 1979, and for one-half (1/2) of the extended benefits paid for compensable  
2           weeks occurring prior to such date.

3 (3) Notwithstanding the provisions of subsection (2) of this section, benefits paid to an  
4           eligible worker and chargeable to a contributing employer's reserve account under  
5           such subsection shall be charged against the pooled account if such worker was  
6           discharged by such employer for misconduct connected with his or her most recent  
7           work for such employer, voluntarily left his or her most recent work with such  
8           employer without good cause attributable to the employment, or the employer has  
9           continued to provide part-time employment and wages, without interruption, to the  
10          same extent that was provided from the date of hire, and the employer within a  
11          reasonable time, as prescribed by regulation of the secretary, notifies the office, in  
12          writing, of the alleged voluntary quitting, discharge for misconduct or continuing  
13          part-time employment; provided, however, that no employer making payments to  
14          the fund in lieu of contributions shall be relieved of charges by reason of this  
15          subsection.

16 (4) Notwithstanding the provisions of subsection (3) of this section, no contributing  
17          employer's reserve account shall be relieved of any charges for benefits relating to  
18          an improper benefit payment to a worker established after October 21, 2013, if:

19          (a) The improper benefit payment was made because the employer, or an agent of  
20          the employer, was at fault for failing to respond timely or adequately to the  
21          request of the secretary for information relating to a claim for benefits; and

22          (b) The employer, or an agent of the employer, has a pattern of failing to respond  
23          timely or adequately to requests under paragraph (a) of this subsection. For  
24          purposes of this paragraph, a "pattern of failing" means at least six (6) failures  
25          occur in a calendar year or the failure to respond to two percent (2%) of such  
26          requests in a calendar year, whichever is greater.

27 (5) Any determination under subsection (4) of this section shall be transmitted to the

1 last known physical or electronic address provided by the employer and may be  
2 appealed in accordance with the provisions of KRS 341.420(2).

3 (6) Each subject employer's reserve account or reimbursing account shall, unless  
4 terminated as of the computation date (as defined in subsection (5) of KRS  
5 341.270), be charged with all benefits paid to eligible workers which are chargeable  
6 to such reserve account or reimbursing account under subsection (2) of this section.  
7 A subject employer's reserve account or reimbursing account shall be deemed to be  
8 terminated if he or she has ceased to be subject to this chapter, and his or her  
9 account has been closed and any balance remaining therein has been transferred to  
10 the fund's pooled account or to a successor's account as provided in KRS 341.540 or  
11 has been refunded if the employer is a reimbursing employer.

12 (7) Notwithstanding subsection (1) of this section, two (2) or more nonprofit Internal  
13 Revenue Code sec. 501(c)(3) organizations may jointly request the secretary to  
14 establish a group reserve account or reimbursing account for such nonprofit  
15 organizations. Two (2) or more governmental entities may jointly request the  
16 secretary to establish a group reserve account or reimbursing account, and once  
17 established, such account shall remain in effect at least two (2) calendar years and  
18 thereafter until either dissolved at the discretion of the secretary or upon filing  
19 application for dissolution by the group members. Each member of a group shall be  
20 jointly and severally liable for all payments due under this chapter from each or all  
21 of such group members. The secretary shall prescribe such procedures as he or she  
22 deems necessary for the establishment, maintenance, and dissolution of a group  
23 reserve account or reimbursing account.

24 (8) Any subject contributing employer may at any time on or before December 31,  
25 2011, make voluntary payments to the fund, additional to the contributions required  
26 under KRS 341.260 and 341.270. Effective January 1, 2012, any subject  
27 contributing employer with a negative reserve account balance may make voluntary

1 payments to the fund every other calendar year, in addition to the contributions  
2 required under KRS 341.260 and 341.270. Notwithstanding any other provision of  
3 this chapter, contributions paid on or before the computation date and voluntary  
4 payments made within twenty (20) days following the mailing of notices of new  
5 rates shall be credited to an employer's reserve account as of the computation date,  
6 provided no voluntary payments shall be used in computing an employer's rate  
7 unless the payment is made prior to the expiration of one hundred and twenty (120)  
8 days after the beginning of the year for which the rate is effective. Voluntary  
9 payments by any employer shall not exceed any negative balance they may have in  
10 their reserve account as of the computation date. Any employer who is delinquent in  
11 the payment of contributions, penalties, or interest as of the computation date shall  
12 be entitled to make voluntary payments only after the amount of the delinquency is  
13 paid in full.

14 (9) Notwithstanding any other provisions of this chapter, any benefits paid to an  
15 eligible worker for reasons related to a state or federal state of emergency or disaster  
16 declaration shall be paid from the pooled account provided in KRS 341.550 and not  
17 from the reserve account of the employer of that individual. The reserve account  
18 shall not be charged for benefits related to a state of emergency or disaster  
19 declaration. Payments shall be accounted for separately to allow the secretary to  
20 seek reimbursement from the federal government.

21 ➔Section 20. KRS 341.080 is amended to read as follows:

2 and Workforce Development Cabinet regulation prescribes; and

3 (3) "Week of unemployment" means any period of seven (7) consecutive days, as  
4 prescribed by the Education and Workforce Development Cabinet in administrative  
5 regulations, during which a worker performed less than full-time work and earned  
6 less than an amount equal to one and one-fourth (1-1/4) times the benefit rate  
7 determined for him or her in accordance with the provisions of subsection (2) of  
8 KRS 341.380 except for any week he or she received shared work benefits in  
9 accordance with Sections 12 to 18 of this Act.

10 ➔Section 21. KRS 341.127 is amended to read as follows:

11 (1) By December 1, 2021, and annually thereafter until December 1, 2025, the cabinet  
12 shall report to the Governor and the Interim Joint Committee on Economic  
13 Development and Workforce Investment:

14 (a) The status of the unemployment trust fund, including any federal advances  
15 required for trust fund solvency;

16 (b) The average claim duration for individuals receiving unemployment benefits;  
17 and

18 (c) The average weekly wage for individuals receiving unemployment benefits.

19 (2) By December 1, 2021, the cabinet shall report to the Governor and the Interim Joint  
20 Committee on Economic Development and Workforce Investment a review of the  
21 amount of wages subject to tax. The review shall include:

22 (a) An analysis of the equitable treatment of employers based on the amount of  
23 wages subject to tax;

24 (b) A comparison of the percentage of wages subject to tax for small, medium,  
25 and large businesses; and

26 (c) Examples of how changes to the amount of wages subject to tax would impact  
27 trust fund balances and employer contributions.

1 (3) By December 1, 2022, and annually thereafter until December 1, 2025, the  
 2 cabinet shall report to the Governor and the Interim Joint Committee on  
 3 Economic Development and Workforce Investment and provide analysis of the  
 4 impact of the shared work benefits, described in Sections 12 to 18 of this Act, on  
 5 the unemployment trust fund and unemployment insurance taxes paid by  
 6 employers.

7 ~~(4)~~~~(3)~~ This section expires on January 31, 2026.

8 ➔Section 22. KRS 341.710 is amended to read as follows:

9 (1) A worker shall be eligible to receive extended benefits with respect to any week of  
 10 unemployment in his or her eligibility period only if the secretary finds that with  
 11 respect to such week:

12 (a) He or she is an "exhaustee" as defined in subsection ~~(5)~~~~(6)~~ of KRS 341.096;  
 13 and

14 (b) He or she has satisfied the requirements of this chapter for the receipt of  
 15 regular benefits that are applicable to workers claiming extended benefits,  
 16 including not being subject to a disqualification for the receipt of benefits.

17 (2) A worker shall not be eligible for extended benefits for any week if:

18 (a) Extended benefits are payable for such week pursuant to an interstate claim  
 19 filed in any state under the interstate benefit payment plan, and no extended  
 20 benefit period is in effect for such week in such state. However, this provision  
 21 shall not apply with respect to the first two (2) weeks for which extended  
 22 benefits are payable to a worker pursuant to an interstate claim filed under the  
 23 interstate benefit payment plan; or

24 (b) The secretary finds that during such period:

25 1. He or she failed to accept any offer of suitable work (as required for  
 26 extended benefits), or he or she failed to apply for any suitable work to  
 27 which he or she was referred by the secretary; or

1           2. He or she failed to actively engage in seeking work as defined in this  
2           section.

3 (3) Any individual who has been found ineligible for extended benefits by reason of the  
4           provisions set forth in this section shall be denied benefits for the week in which  
5           such failure occurred and thereafter until he or she has been employed in each of  
6           four (4) subsequent weeks (whether or not consecutive) and has earned at least four  
7           (4) times his or her weekly benefit rate in bona fide full-time covered employment.

8 (4) For the purpose of this section, a worker shall be treated as actively engaged in  
9           seeking work during any week if:

10          (a) Such worker has engaged in a systematic and sustained effort to obtain work  
11             during such week; and

12          (b) Such worker furnishes tangible evidence that he or she has engaged in such  
13             effort during such week.

14 (5) The secretary shall refer any claimant entitled to receive extended benefits to any  
15           suitable work which meets the criteria as required in KRS 341.712 for workers  
16           claiming extended benefits.

17 (6) Notwithstanding any other provisions of this chapter, if the benefit year of any  
18           worker ends within an extended benefit period, the remaining balance of extended  
19           benefits that such worker would, but for this section, be entitled to receive in that  
20           extended benefit period, with respect to weeks of unemployment beginning after the  
21           end of the benefit year, shall be reduced (but not below zero (0)) by the product of  
22           the number of weeks for which the worker received any amounts as trade  
23           adjustment allowances within that benefit year, multiplied by the worker's weekly  
24           benefit amount for extended benefits.

25          ➔Section 23. If any provision of this Act or the application thereof to any person  
26           or circumstance is held invalid, unconstitutional, or in violation of any federal law:

27          (1) The invalid provision shall be null and void; and

1           (2) Its invalidity shall not affect other provisions or application of this Act that  
2 can be given effect without the invalid provision or application, and to this end the  
3 provisions of this Act are severable.

4           ➔Section 24. This Act may be cited as the Unemployment Insurance  
5 Sustainability Act of 2022.
