5 professional liability insurance, worker's compensation insurance, and  
6 unemployment insurance;

17 (1) Except where a statute specifically fixes a larger sum as the minimum for a  
18 requirement of advertisement for bids, no city, county, or district, or board or  
19 commission of a city or county, or sheriff or county clerk, may make a contract,  
20 lease, or other agreement for:

21 (a) Materials;~~;~~

27 involving an expenditure of more than thirty thousand dollars (\$30,000) without

1 first making newspaper advertisement for bids. This subsection shall not apply to  
2 the transfer of property between governmental agencies as authorized in KRS  
3 82.083(4)(a).

4 (2) If the fiscal court requires that the sheriff or county clerk advertise for bids on  
5 expenditures of less than thirty thousand dollars (\$30,000), the fiscal court  
6 requirement shall prevail.

7 (3) (a) Nothing in this statute shall limit or restrict the ability of a local school district  
8 to acquire supplies and equipment outside of the bidding procedure if those  
9 supplies and equipment meet the specifications of the contracts awarded by  
10 the Office of Material and Procurement Services in the Office of the  
11 Controller within the Finance and Administration Cabinet or a federal, local,  
12 or cooperative agency and are available for purchase elsewhere at a lower  
13 price. A board of education may purchase those supplies and equipment  
14 without advertising for bids if, prior to making the purchases, the board of  
15 education obtains certification from the district's finance or purchasing officer  
16 that the items to be purchased meet the standards and specifications fixed by  
17 state price contract, federal (GSA) price contract, or the bid of another school  
18 district whose bid specifications allow other districts to utilize their bids, and  
19 that the sales price is lower than that established by the various price contract  
20 agreements or available through the bid of another school district whose bid  
21 specifications would allow the district to utilize their bid.

22 (b) The procedures set forth in paragraph (a) of this subsection shall not be  
23 available to the district for any specific item once the bidding procedure has  
24 been initiated by an invitation to bid and a publication of specifications for  
25 that specific item has been published. In the event that all bids are rejected, the  
26 district may again avail itself of the provisions of paragraph (a) of this  
27 subsection.

- 1 (4) This requirement shall not apply in an emergency if the chief executive officer of  
2 the city, county, or district has duly certified that an emergency exists, and has filed  
3 a copy of the certificate with the chief financial officer of the city, county, or  
4 district, or if the sheriff or the county clerk has certified that an emergency exists,  
5 and has filed a copy of the certificate with the clerk of the court where his necessary  
6 office expenses are fixed pursuant to KRS 64.345 or 64.530, or if the  
7 superintendent of the board of education has duly certified that an emergency exists,  
8 and has filed a copy of the certificate with the chief state school officer.
- 9 (5) The provisions of subsection (1) of this section shall not apply for the purchase of  
10 wholesale electric power for resale to the ultimate customers of a municipal utility  
11 organized under KRS 96.550 to 96.900.
