AN ACT relating to local government procurement.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 45A.380 is amended to read as follows:

A local public agency may contract or purchase through noncompetitive negotiation only when a written determination is made that competition is not feasible and it is further determined in writing by a designee of the local public agency that:

1. An emergency exists which will cause public harm as a result of the delay in competitive procedures;

2. There is a single source within a reasonable geographical area of the product or service to be procured;

3. The contract is for the services of a licensed professional, such as attorney, physician, psychiatrist, psychologist, certified public accountant, registered nurse, or educational specialist; a technician such as a plumber, electrician, carpenter, or mechanic; or an artist such as a sculptor, aesthetic painter, or musician, provided, however, that this provision shall not apply to architects or engineers providing construction management services rather than professional architect or engineer services;

4. The contract is for the purchase of perishable foods, such as meat, fish, poultry, egg products, vegetables, or any perishable foods with a label indicating sale, use, or consumption by a certain date; items purchased on a weekly or more frequent basis, such as fresh fruits, vegetables, fish or meat;

5. The contract is for replacement parts where the need cannot be reasonably anticipated and stockpiling is not feasible;

6. The contract is for proprietary items for resale;

7. In school districts the contract relates to an enterprise in which the buying or selling by students is a part of the educational experience;

8. The contract or purchase is for expenditures made on authorized trips outside of the
boundaries of the local public agency;

(9) The contract is for the purchase of supplies which are sold at public auction or by receiving sealed bids;

(10) The contract is for group life insurance, group health and accident insurance, group professional liability insurance, worker's compensation insurance, and unemployment insurance;

(11) The contract is for a sale of supplies at reduced prices that will afford a purchase at savings to the local public agency; or

(12) The contract is with a private real estate developer and contains a requirement:

(a) That the developer increase the size or otherwise improve the collection capacity of the sanitary sewer or storm water pipe serving the affected private real estate development; and

(b) That the local public agency pay only the proportional cost of increasing the size, or otherwise improving the collection capacity, of the sanitary sewer or storm water pipe over the original collection capacity.

Section 2. KRS 424.260 is amended to read as follows:

(1) Except where a statute specifically fixes a larger sum as the minimum for a requirement of advertisement for bids, no city, county, or district, or board or commission of a city or county, or sheriff or county clerk, may make a contract, lease, or other agreement for:

(a) Materials;

(b) Supplies, except perishable food, such as meat, fish, poultry, egg products, vegetables, or any perishable foods with a label indicating sale, use, or consumption by a certain date;

(c) Equipment;

(d) Contractual services other than professional, involving an expenditure of more than thirty thousand dollars ($30,000) without
first making newspaper advertisement for bids. This subsection shall not apply to the transfer of property between governmental agencies as authorized in KRS 82.083(4)(a).

(2) If the fiscal court requires that the sheriff or county clerk advertise for bids on expenditures of less than thirty thousand dollars ($30,000), the fiscal court requirement shall prevail.

(3) (a) Nothing in this statute shall limit or restrict the ability of a local school district to acquire supplies and equipment outside of the bidding procedure if those supplies and equipment meet the specifications of the contracts awarded by the Office of Material and Procurement Services in the Office of the Controller within the Finance and Administration Cabinet or a federal, local, or cooperative agency and are available for purchase elsewhere at a lower price. A board of education may purchase those supplies and equipment without advertising for bids if, prior to making the purchases, the board of education obtains certification from the district's finance or purchasing officer that the items to be purchased meet the standards and specifications fixed by state price contract, federal (GSA) price contract, or the bid of another school district whose bid specifications allow other districts to utilize their bids, and that the sales price is lower than that established by the various price contract agreements or available through the bid of another school district whose bid specifications would allow the district to utilize their bid.

(b) The procedures set forth in paragraph (a) of this subsection shall not be available to the district for any specific item once the bidding procedure has been initiated by an invitation to bid and a publication of specifications for that specific item has been published. In the event that all bids are rejected, the district may again avail itself of the provisions of paragraph (a) of this subsection.
(4) This requirement shall not apply in an emergency if the chief executive officer of
the city, county, or district has duly certified that an emergency exists, and has filed
a copy of the certificate with the chief financial officer of the city, county, or
district, or if the sheriff or the county clerk has certified that an emergency exists,
and has filed a copy of the certificate with the clerk of the court where his necessary
office expenses are fixed pursuant to KRS 64.345 or 64.530, or if the
superintendent of the board of education has duly certified that an emergency exists,
and has filed a copy of the certificate with the chief state school officer.

(5) The provisions of subsection (1) of this section shall not apply for the purchase of
wholesale electric power for resale to the ultimate customers of a municipal utility
organized under KRS 96.550 to 96.900.
