For a regular or special election, candidates who seek an office elected by ranked-choice voting shall only be elected by ranked-choice voting. Ranked-choice voting shall not be applicable to primaries.

(b) Allow for a voter to include one (1) write-in candidate if he or she desires;

and

(c) Be in a simple and easy to understand format.
(2) When ranked-choice voting is used to elect a candidate to elected office:

   (b) A mark or delineation by the voter for only one (1) candidate shall be interpreted as a vote of rank one (1) for that particular candidate, with no other candidate being ranked; and
   
   (c) A mark or delineation by the voter for two (2) or more candidates, but which does not rank the voter's order of preference for the candidates, shall not count as votes for any candidates, and shall cause the ballot to be identified as under-voted.

(3) If a ballot is considered under-voted and the voter used a paper ballot, the voter may upon surrendering the ballot, request and vote upon another ballot. The round then ends with one (1) of the following two (2) potential outcomes:

(a) If there are two (2) or fewer continuing candidates, the candidate with the most votes is declared the winner of the election; or

(b) If there are more than two (2) continuing candidates, the last-place

The drawing of lot shall be in the presence of not fewer than three (3) other persons and in the manner as the State Board of Elections directs.

(3) Modification of a ballot for ranked-choice voting and tabulation is permitted in accordance with the following:

(a) The number of allowable rankings may be limited to no fewer than six (6);

(19) Provide for the tabulating of votes at the precinct as required under KRS 117.275;

(20) Provide locks or other security apparatus by which the operation of the voting equipment may be locked before the time for opening the polls and after the time for closing the polls;

vote for all candidates and on all questions of the voter's choice, and when operated properly, register and record correctly and accurately every vote cast;

(22) Bear a number or other unique designation that will distinguish it from any other voting equipment or voting system;
